Directors' Report

Dear Shareholders,

We are pleased to present our quarterly report of your company's performance as on March 31, 2019.

The nine months period under review incurred Loss before tax of Rs. 20.56 million, and loss after tax of Rs. 21.46 million. In comparison to the previous nine months period loss before tax of Rs. 171.53 million and loss after tax of Rs. 177.06 million. The reduction in loss as compared to previous corresponding period is as a result of the announcement from the Government related to incentives for the textile industry. Firstly, a reduction in RLNG prices was a major driver for the Company to resume its production process. The management in the best interest of shareholders resumed operations of its weaving unit since 26th December 2018. The last three months were prolific and enabled the Company to post a profit after tax of Rs. 13.4 million and earnings per share of Rs.0.273.

The highlights of the nine months period include:

- Decrease in sales revenue by 83.94% (70.88 million) as compared to last corresponding period (441.26 million).
- These nine months incurred gross loss to 10.40% (7.37 million) as compared to gross loss of 34.08% (150.365 million) in previous corresponding period.

Textile industry is still under pressure, due to a high cost of doing business. The commitment of the Government to support textile sector in the form of supply of energy at a lower cost, release of fund against rebate claims / tax refunds and continuation of rebate scheme will help industry to revitalize.

For and on behalf of the Board.

Sarah Saif Khan Chief Executive

Dated: April 29, 2019.

2.2 Going Concern Assumption

The company had resumed operations of its weaving unit since December 26, 2018 due to incentives introduced by the Government. Currently, the Company is primarily generating its revenue by conversion of yarn into fabrics. The management still has no any intention to resume its spinning operations in foreseeable six months. During current year, it incurred a loss for the nine months ended March 31, 2019 of Rupees 21.458 million (March 31, 2018: Rupees 177.063 million) and as of that date, reported accumulated loss of Rs. 844.738 million (June 30, 2018: Rs. 825.361 million) against the issued, subscribed and paid up capital of Rs. 492.926. million (June 30, 2018: Rs. 492.926 million).
